

# CMR Choir Handbook Receipt Form

2017-2018

\*We have reviewed the calendar and will work out any conflicts for the required events. If any conflicts exist we will let Mrs. Ryan or Mr. Wilson know as soon as possible.

\*Students enrolled in traveling choir understand that tours are mandatory, not optional.

\*We will have all required performance attire by the first concert. If assistance is needed to provide attire, we will communicate with Mrs. Ryan immediately.

\*We will be responsible for all wardrobe and music checked out to the student. We understand that replacement fees will be assessed at the end of the year for lost/damaged items in the care of the student.

\*We have reviewed the 2017-2018 CMR Choir Handbook.

\*We understand concert attendance and contributions made in rehearsal constitute a large portion of the choir grade.
