

2017 Differentiated Diploma Timeline

- **Friday, January 13th**: 2nd period teachers will meet with their seniors/students to introduce the Differentiated Diploma information on the CMR Scheduling webpage. Diploma comparisons, classes that apply, as well as the differentiated diploma applications are available on the website. Seniors should use the information available to plan for the type of diploma they will be applying for. Seniors can print off the applications and complete them when they are ready.
- **Monday, February 6th Senior Connections:** Senior advisors will be given the following information to disseminate and discuss with students: a copy of each individual student's graduation progress, differentiated diploma applications, and a spreadsheet for seniors to sign off on indicating diploma choice.

Advisors will meet with each of their seniors individually and assist with filling out the relevant application and will have students indicate which diploma they are applying for and sign off on the spreadsheet indicating their choice. Please have seniors highlight the relevant courses on their graduation progress sheet and staple it to the application.

Advisors will collect any completed applications at the end of the session and turn them in to the Advisement Center with the cover/spreadsheet attached on top of the applications.

- **Wednesday, February 8th Scheduling Awareness Extended Connections:** Seniors will not be meeting in connections. They will be picking up their Jostens order in Bill Will Auditorium. **Any differentiated diploma applications completed after Monday, February 8th should be turned in to the counseling center.**
- **Friday, February 17th: Last day to turn in Differentiated Diploma Applications!**
Because diplomas will be ordered through Jostens and specific diploma seals will be embossed, no exceptions will be able to be made on this deadline.
- **February 21ST THRU 24TH**: Counselors will check their individual group of student applications to verify.
- **February 27TH THRU MARCH 1ST**: Mary Breuer will prepare final list/check and get information to Graduation Center (Jostens) by March 1st.
