## "Old" School song

### Alabama Fight Song

Yea, Russell High School,

Make them fold,

Every Russell man's behind you,

Green and Gold.

Go teach the \_\_\_\_\_ to behave,

Send the mighty Rustlers to a victory brave,

And when a man starts to weaken, that's a  
shame,

For Rustlers strive on to emblaze their name in  
Golden Flame.

Fight on, fight on, fight on, men,

Remember our victories, we'll win then;

Go roll to victory, green and gold,

For you're Montana's pride, Russell High.
