

Mileposts 201

Viewing test scores by class

Viewing test scores by class

The screenshot shows the Mileposts website interface. At the top, there is a green header with the 'mileposts' logo and 'Powered By Silverback Learning Solutions'. Below the header is a navigation bar with a home icon, 'Reports', 'Image', 'Tools', and 'Resources'. A red arrow points to the 'Reports' menu item. Below the navigation bar, the main content area is titled 'My Students'. Under 'My Students', there is a section titled 'Plans and Interventions' which contains a pie chart and a legend. The legend lists the following categories and counts:

Category	Count
General Educational Support Plans	28
CLP Plans	47
IEP Plans	2
504 Plans	18
Health Care Plan	125
Attendance Plan	2

In order to see, by class, your students' assessment scores, click on (don't hover over) "Reports."

Once you are on the Reports menu, there are a number of reports you can generate by class:

State Assessments (MontCAS)

District Benchmarks

District Assessments (MAP, ISIP)

Under MontCAS, choose Math, then pull down to your class.

The report will generate alphabetically (names redacted in this illustration), but you can click on the heading of any column to sort in a different way.

These are Algebra 1 students, but they are listed as 7th grade. These are test scores from 7th grade.

Viewing test scores by class, continued

Under District Assessments, choosing “NWEA Common Core _____” will take you to MAP scores, sorted alphabetically. Click on any column heading to customize your sort.
