

Step by Step to Load your Child onto Dragonfly

This a process that works better on a computer than a phone but can be done either way.

If you have multiple students playing sports please know you do not need to create separate accounts you can use the same account. If you have middle school and a high school athlete you can use the same account as we are using the same system at both levels.

A. Create an account for yourself
you will receive a verification code - please check your junk mailbox for the code as
sometimes it does go there

B. Enter your demographic information

C. Then you will need to add your student
This is the part that takes a long time

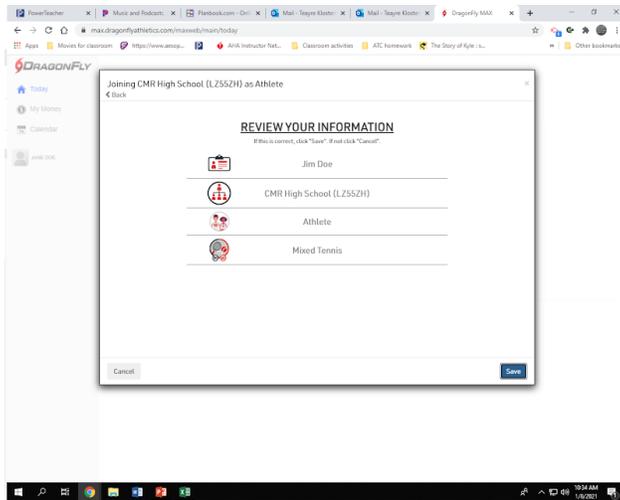

D. Enter your child'

E. Select the state - Montana at the bottom click pick montana

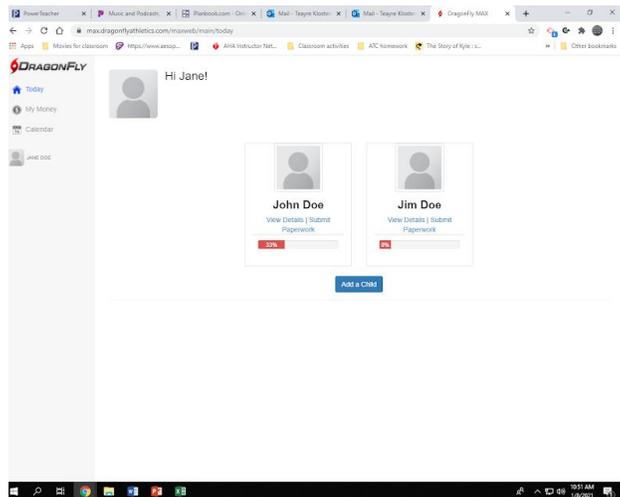

F. Then type in CMR into search school - click on CMR High School when it pops up
Then join CMR High school on that screen

G. Select all the sports you think your student is going to play
Some sports are listed as Mixed and some are listed by Men's or Women's so please
pay attention to that.

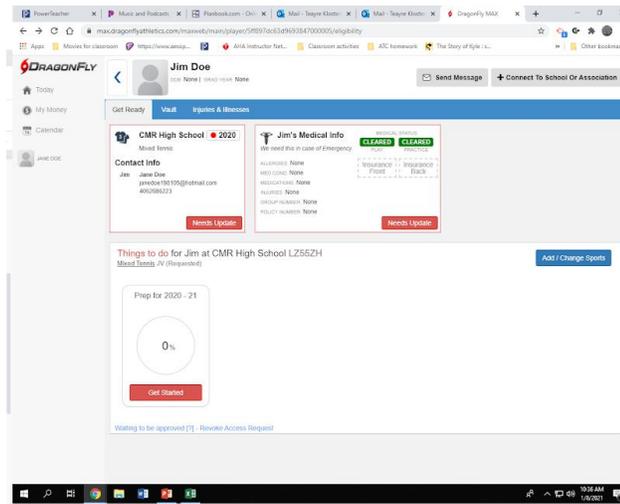

Some are also divided by levels - click which ones you think your student will play at and
I will push them to the level the coach puts them at.

H. Under your child's name click view details

I. Click on the Get Started button

J. Begin at the top of the list and enter all of the information
